

**RBM Partnership Malaria in Pregnancy Working Group
Annual Meeting Agenda
13 – 15 September, 2022
Accra, Ghana**

Meeting Theme: Refresh, Renew and Refocus on Malaria in Pregnancy

Meeting Objectives:

- Share, disseminate and discuss updates, products and new research and implications for MiP programming
- Share, disseminate and discuss country best practices to improve coverage of MiP interventions
- Share, disseminate and discuss innovative approaches that are or have the potential to contribute to improving MiP coverage
- Determine WG priorities for 2022

This meeting is possible through funding from the IMPACT Malaria project by the U.S. President's Malaria Initiative

USAID
FROM THE AMERICAN PEOPLE

U.S. President's Malaria Initiative
